

# Successful Leaders Play Lego in 2023

1. What accomplishments or successes are you proud of in 2022?

---

---

2. What failures may have limited your success in 2022?

---

---

3. Name 4-6 things, people or actions you are grateful for and why in 2022?

---

---

4. Describe your life mission statement that gives you passion and meaning?

---

---

5. What are three strengths you have that contribute to your success in life?

---

---

Review the "Lego Life Bricks" below. Begin to write out how important each one is and what you might want to accomplish in each for 2023. You may want to envision how these "bricks" would be assembled each quarter. Think how your bricks integrate into your life for a more successful 2023. Try to be specific and descriptive!
